GREETINGS AND NAMASTE!

For over 15 years, we've been inspiring joy, well-being, and cultural appreciation through our interactive and educational dance workshops across England, Wales, Scotland and N. Ireland. We thought of getting in touch with you and we would be most grateful, if this email can be passed onto the specific member of staff or dept. that deals with cultural and dance education programmes. We are happy to give you references if you require. Dance Workshops Details

During each session, students and staff enjoy an immersive experience of learning 3 to 4 dynamic dance routines. Each fun session also includes interactive introduction to Indian cultural, festivals and dances followed by a mini question-answer session. All our instructors are fully trained, highly experienced, and passionate about what they do - each holding an up-to-date DBS check. We also have up to date public liability insurance policy and professional indemnity for dance professionals.

We are happy to work around your school's schedule and can tailor the timetable based on the total or selected number of participating classes. To end the day on a high note - typically between 2:30 & 3:00pm we can host a vibrant outdoor finale performance. This showcase can be a true highlight, where parents are welcome to watch and even join in the celebration! As an exciting optional addition, we also offer a Holi Colour Festival or Colour Run experience during the finale, where students, staff and parents can safely throw dry powder paints to celebrate with joy and colour.
