For Beauty's Jay Pattni and Electrical Partner Bhavik Pattani, it was as much about the mood than the moves on the dancefloor. Jay said: "Everyone made a real effort to dress up and added to the atmosphere of the evening." Bhavik added: "There was so much colour and energy, you could almost believe you were taking part in a Bollywood movie." Leisure Benefits Co-ordinator Claire Gilbert was delighted that Bollywood III was a great success and paid tribute to those who helped make it happen: "So many Partners took time out to support with this event; a big thank you for helping make this evening a success, particularly to our Catering Team and Visual Team. I'd also like to say a personal big thank to our Polly Morjaria and Madhu Dawda who helped organise the event, and had so much enthusiasm and passion and contributed so much to the evening."

■ Move to the Bhangra beat

Bollywood came to Watford and bhangra was the beat at a celebration of Asian food and music. With close to 100 tickets sold, it was sure to be a good night. The little Waitrose team were out in force too. "What a fab evening and so colourful too. I really enjoyed the dancing especially with the bhangra flavour," said Supermarket Assistant Mian Jones. As well as a raffle to win prizes including fragrance sets and a £50 JL gift voucher, Partners were treated to a masterclass in how to dance the bhangra. "It was lovely to get tuition on moves from the Kz Dance team, they really knew how to move."
