A Harrow-based dance group took part in one of the biggest dance events in the UK.

K'z Dance Entertainment Ltd, bought Indian folk dance to fore at the ExCel Exhibition Centre in London on Sunday, March 20.

It was the first time in the events 11 year history that the group had introduced Raas-Garba workshops, a form of Indian dance, to the event.

The event, which was put on by Move It, saw more than 23,000 people take part over the three day dance extravaganza, bringing all genres of the art to the capital.

Kalpesh Zalavadiya, director of the group, said: "We are already making plans to go back next year to conduct more dance workshops and perform on the main stage.

"A dancer's work is never done."
