Easter Celebrations

Rev Kesterton started off the day by introducing the story of Easter to the children and their parents. The whole school assembly was very enjoyable particularly when Ms Abbot got her feet washed! Mrs Jones had organised an Easter Bonnet Parade which was fascinating some very creative ideas! The children were very proud of showing off their bonnets.

Holi

Foxdell Infant School, was very fortunate in hosting a Holi Festival on Thursday 24th March 2016. Holi is traditionally known as the 'Indian Festival of Colours'. During Holi Hindus celebrate the ending of winter and the coming of spring by showering each other with bright coloured powder; they throw coloured powder onto friends and family to make them colourful.

Mrs Dewji and Ms Khanam organised a choreographed Bollywood Dance Workshop performed by K'Z Dance Entertainment. The children had the opportunity to learn dance moves throughout the day in specialised workshops.

The children danced to the songs 'We Twist' and 'Jai Ho' learning some impressive moves! "I could not believe how well they remembered their routine Foxdell has some very talented dancers!" said Mrs Dewji (RE Coordinator).

At 2pm the whole school gathered in the playground for the Grand Finale.

Eventhough, there were some rain showers the mood was not dampened. The children and staff danced to some very catchy Bollywood music led by the very energetic Kalpesh of K'z Entertainment. Finally, the anticipation was over the Holi celebrations started dusting the playground with vibrant colours. There were many happy faces and the children could not believe they were allowed to throw powdered paints at each other. Abu Zarr 7 said "This is so much fun, are you sure I can throw this?"

Ms Justine Abbott (Head Teacher) said "Today's event will be one memory the children will carry forever."

Last but not least a special thanks to Om group member Payal Gaglani Bhatt for supporting Foxdell with this event.

Holi

What a busy Autumn term it has been for RE at Foxdell. These are some of our highlights...
