Bollywood comes to SSPP

14 June 2016 (by adminuser)

Pupils from across the school were treated to a Bollywood workshop last week culminating in a fantastic whole school performance out in the playground.

The workshops were delivered by Kalpesh from K'z Dance Entertainment Ltd who worked with children from Reception all the way up to Year Six. Each class had a 35 minute session where they learned some basic Bollywood moves before showing off their newly acquired talents in a special performance for parents, grandparents and carers. They performed a range of dances with the audience being invited to join in with the children for the grand finale. To view pictures of the performance, go to our 'News' tab, selected 'Gallery', then 'Bollywood Performance'.

If any groups are interested in the services of K'z Dance they can contact Kalpesh by e-mailing him at info@kzdance.co.uk
