Bollywood Fever!

Posted on January 20, 2017 by dellacat

On Wednesday 18th of January, every child had the opportunity to learn a Bollywood dance routine by Kalpesh from K's dance Entertainment.

Ardeley was an explosion of colour and smiling faces (even more than usual) with the children wearing bright colourful clothes to represent the variety of colours seen in Bollywood dancing.

At the end of the day all the children went out onto the playground to perform in front of the parents in a grand finale.

Thank you to all the parents who were able to attend the performance. A special thank to Mrs Walsh, who suggested the idea of Bollywood dancing after her daughter enjoyed a similar experience at her school.

It certainly was a day to remember, especially with so many mums, dads, nans, granddads, aunts and uncles joining in the grand finale at the end of the day.

There have been so many positive comments about the experience from children, teachers, governors and parents. As a result we have managed to book another session during the week of Diwaili, which links with our RE curriculum.
