### Bollywood Dance Workshop

Year 4 and year 6 participated in a Bollywood Workshop at school this week. How exciting!!

Year 4 and year 6 were privileged to have been taught by Kalpesh Zalavadiya who is the founder of K'z Dance Entertainment Ltd. He has received professional dance training from renowned dance institutes in India and the UK. He is an experienced dance teacher, choreographer, performer and entertainer. He has won many dance competitions.

All the children participated with a lot of enthusiasm and they were sad when it came to an end. It was beautiful to see the different Bollywood dance shapes the children made come together. They managed to learn 3 choreographed dances and they were amazed to see their achievement when they saw and felt the dance come together with the lively, happy Bollywood music. They looked like a scene from a Bollywood movie! The children thoroughly enjoyed this cultural experience. Well done!
