Bollywood fun at Pershore school

Alicia Kelly

Kalpesh with pupils from Abbey Park First School

PUPILS and staff from a Pershore school have had the chance to learn Bollywood dance moves.

Youngsters from Abbey Park First School were taught the moves by Kalpesh from K'z Dance Entertainment.

He shared his love and passion for Indian dance throughout the day with children performing for their families at the end of the school day.

Parents, carers, grandmas and lots of family members not only enjoyed the show but were delighted to join in with the dancing too.

Claire Mitchell, head of school said: "Kalpesh has been an inspiration to our children with his fantastic dance routines and we are pleased that so many grown ups were also able to join in the fun and have given us such an incredible amount of positive feedback about the event.

"Lydia Roberts, one of our teachers, worked with Kalpesh all day and is really looking forward to running a Bollywood club for children this summer term."
