Two Suffolk schools became a burst of colour last week – as the pupils took part in vibrant Holi celebrations.

Pupils from Mendlesham and Bacton Primary Schools, near **Stowmarket**, were treated to a visit from choreographer Kalpesh Zalavadiya who showed them a range of Garba and Bhangra dance moves.

After dancing in formation on the playground, the children got the chance to mark each other with colourful powdered paints.

Sarah King, head of school at Bacton Primary School, said: "This was a wonderful opportunity for the children to learn about a different culture and their celebrations."
